Check ID: 1e097b12-ca4e-4630-a567-ebebafce9eb8

Verdict: HIGH RISK (65% risk score)

AI Explanation

This job posting looks risky because it features highly unrealistic requirements, such as 9,000 WPM or owning a spaceship, and absurd benefits like a company-issued dragon or 400 days of vacation. It also includes contradictory demands and uses terms like 'unlimited' or unusual number patterns like '400' and '000' that often indicate a fraudulent offer.

Red Flags Detected

Flag	Evidence
unlimited	Term 'unlimited' contributed to this prediction based on patterns learned from training data.
400	Term '400' contributed to this prediction based on patterns learned from training data.
000	Postings containing '000' were fraudulent 8% of the time in our 14,802-posting training set (vs 4%
implausible_content	The posting contains multiple physically impossible requirements (9,000 WPM, owning a spacesh
